

The screenshot shows the PubMed search interface. At the top, there are links for Entrez, PubMed, Nucleotide, Protein, Genome, Structure, OMIM, PMC, Journals, and a search bar. Below the search bar are buttons for 'Limits', 'Preview/Index', 'History' (which is selected), 'Clipboard', and 'Details'. The 'History' section contains the following notes:

- Search History will be lost after eight hours of inactivity.
- To combine searches use # before search number, e.g., #2 AND #6.
- Search numbers may not be continuous; all searches are represented.
